

DEBUR Kit: Instruction Sheet

- Kit includes a handle and 3 blades.
- Blades can be stored in the lightweight plastic handle.
- Blades easily changed by depressing locking button.
- Handle has lifetime guarantee.

Blades

E-100 Black, used for deburring steel, aluminum and plastic.

E-200 White, used for deburring brass and cast iron.

E-350 Black with round head, used for straight edges on almost all materials.

The above part numbers are to identify the appropriate Blade for material purposes only. They are not Fowler part numbers and blades cannot be ordered on an individual basis.

Safety

Wear safety goggles and safety gloves. Do not apply excessive pressure on blade.

Warning

- Blades are sharp and can cut.
- Blades can break causing flying objects.
- Sharp edges and flying objects can cause injury.
- Wear safety goggles (user and bystanders).
- Do not pry or bend blades.
- Keep away from children.
