## Calitrace Multi-Purpose Gages

Fowler/Sylvac introduces the new Calitrace multi-purpose gage. The Calitrace has many useful applications including scribing, inside, outside and depth measuring. By adding optional cones the Calitrace can be used for centerline applications. The Calitrace also offers optional groove anvils for internal or external measuring.

- Multi-function measuring device
- Resolution: .0005"/.01mm
- Measuring range: 6", 12", 24"
- Repeatability: .0005"/.01mm ( $\pm 2s$ )
- RS232 output
- Max. operational speed: 1.5 m/sec.
- Two preset memories
- Large LCD display for easy viewing.

Order No.	Description	Accuracy	Repeatability	Length
54-142-150	6"/150mm Calitrace	.0012"/.03mm	.0005"/.01mm ( $\pm 2s$ )	9.45"/240mm
54-142-300	12"/300mm Calitrace	.0016"/.04mm	.0005"/.01mm ( $\pm 2s$ )	15.55"/395mm
54-142-600	24"/600mm Calitrace	.002"/.05mm	.0005"/.01mm ( $\pm 2s$ )	27.56"/700mm
54-110-106	Cone set (.55"/14mm diameter)			
54-110-107	Pair of holders with M2.5 thread (does not include tips)			
54-115-333	Simplex Computer Connection Kit			
54-100-350	3v Lithium Replacement battery (type CR2032 or BR2032)
